

# Drop-Ins

Let the Lil' Kicker's program provide you an opportunity to shop without the kids in tow! We have set aside time to allow you, the ever busy parent, to drop off your child or children for the day while you shop, clean, or just recover. The kids will be under the supervision of Lil' Kicker's coaches and Corner Kick

staff for the day. We have planned activities from the time that your kids arrive to the time you pick them up. Some of the activities include Lil' Kicker classes and games, time in an inflatable jumper, and crafts to take home, as well as a movie time, in addition to lunch.

### Schedule of Activities

**8:00am Drop-off**  
**4:00pm Pick-up**

You are free to leave your kids for the entire time or just a few hours. We have bagged lunches ready for the kids so you don't have to worry about packing a lunch for them. There will be activities running all day so you are free to drop them off for however long you need at whatever time you need.

### Drop-In Activities
